

WSC ADVISORY #2022-007
ANNUAL COST PLAN CONTINUATION PREPARATION
MANDATORY ACTION

EFFECTIVE DATE: MARCH 11, 2022

The Agency for Persons with Disabilities (APD) is preparing the APD iConnect system so that planned services on plans for the current Fiscal Year (FY) 2021-2022 continue into FY 2022-2023. This advisory informs Waiver Support Coordinators (WSCs) and Consumer-Directed Care Plus (CDC+) Consultants of steps to take in the current FY 2021-2022 plans.

APD is automating the continuation of plans to Fiscal Year 2022-2023 as much as possible to reduce the workload of WSCs, CDC+ Consultants, and APD staff.

iBudget Waiver Client Plans

APD will copy plans for iBudget waiver clients that are in *Approved*, *Pending*, or *No Review Required* status where one or more planned services have an end date of 6/30/2022. All plans should be validated by this time. Plans in *Draft* status will not be copied.

CDC+ Waiver Consumer Plans

Plans for CDC+ consumers must be in an *Approved* or *No Review Required* status to be copied. CDC+ Consultants must ensure that each consumer's FY 2021-2022 planned services in APD iConnect are in *Approved* or *No Review Required* status on a validated plan so that the monthly CDC+ budget amount can be established. **Please ensure that any plans in *Draft* or *Pending* status for CDC+ consumers are submitted by 3/25/2022 in APD iConnect.**

If the consumer enrolled onto the CDC+ waiver after 7/1/2021, please ensure that a CDC+ plan exists in APD iConnect.
