

To: Area 2 APD Providers

From: Mavis Smith, Area 2 Steering Committee Chairperson

Re: Training on "Legislative Process And How To Effectively Speak With Your Local Legislators On Issues Of Concern"

Attached is a letter and registration form for an upcoming free training on "Legislative Process And How To Effectively Speak With Your Local Legislators On Issues Of Concern".

The Area 2 Steering Committee and the Family Care Council are co-sponsoring this important event.

We are soliciting your assistance in informing the people for whom you provide services about this training opportunity. If you provide Adult Day Training, please send a copy of the letter and registration form home with everyone that you serve. Other providers please make sure that the individuals you serve are informed of this training and provided with registration information.

Providers are also encouraged to attend the training. This is a wonderful opportunity for you to promote the rights of all individuals served through a better understanding of the legislative process and, most importantly, how to speak with their local delegation on issues of concern.

Thank you for your cooperation and assistance and we look forward to hopefully seeing you at this event.
