

The Agency for Persons with Disabilities is pleased to announce the TRAIN Florida Learning Management System (LMS). TRAIN Florida is part of a national public health learning management network managed by the Public Health Foundation. The network currently includes the Centers for Disease Control and Prevention (CDC), the Medical Reserve Corps (MRC), Health Resources and Services Administration (HRSA), and the Florida Department of Health, which collaborates with community partners, and universities.

Starting May 18, TRAIN Florida will be the official LMS for our agency's training needs. The TRAIN Florida training team is working to help ease our transition by creating learning aides and train staff to support you as you navigate through TRAIN Florida.

Our new LMS will provide employees, support staff, families, and direct care staff with a web-based learning system. The TRAIN Florida LMS will allow each learner to interact with other state and federal agencies, local and national organizations, educational institutions, and our community partners.

Through TRAIN Florida, you can:

- Access more than 37,000 national courses,
- Access APD required waiver training and in-service training including “Zero Tolerance” and “Direct Care Core Competencies”,
- Access new “iBudget Handbook” training requirements,
- Access TRAIN Florida Knowledge Center,
- Quickly find and register for many courses listed on Train.org and participating TRAIN affiliate sites,
- Track your personal online transcripts,
- Receive and track Certificates of Completion,
- Access valuable materials, course reviews, and discussions to improve your learning experience, and
- Stay informed of the latest trainings in your area of expertise.

We look forward to transitioning to this new system that will help with the delivery, documentation, tracking, and reporting of classroom and online training programs within APD.

To help you get ready for TRAIN Florida:

- Wait for your TRAIN Florida account information to arrive by e-mail
***NOTE: You must have a valid email address**

TRAIN Florida will help you stay on the right track for your professional development and lead to greater quality outcomes for individuals served. TRAIN Florida is your ticket for success!
