

**WSC ADVISORY #2025-012**  
**LSD 3 AND LSD 4 NEW MONTHLY SERVICE CODES – AUTHORIZATIONS NEEDED**  
**ACTION REQUIRED**

**EFFECTIVE DATE: NOVEMBER 19, 2025**

Pursuant to legislative changes in s. 393.066, Florida Statutes, the Agency for Persons with Disabilities (APD) collaborated with the Agency for Health Care Administration (AHCA) to implement a monthly rate for Adult Day Training (ADT) and Prevocational services (Life Skills Development 3 and 4). The monthly rate is effective retroactively to October 1, 2025, and is required for iBudget Waiver clients who attend ADT or Prevocational services for at least 80 hours of each service during a calendar month. Providers shall continue to be reimbursed at the existing hourly rate for clients who attend fewer than 80 hours of ADT or Prevocational service during a calendar month.

Waiver Support Coordinators (WSCs) play a critical role in ensuring that service authorizations are updated when the monthly rate applies. The new rates and procedure codes are identified below:

Per the Florida Medicaid Developmental Disabilities Individual Budgeting Waiver Services Provider Rate Table, the combination of Life Skill Development Services may not exceed more than 56 hours per week for any client.

For situations where the new monthly rate is required for ADT and Prevocational services, the providers have been advised to contact the WSC for assistance in updating the service plans to generate service authorizations in iConnect. Providers who have billed at the old rate for services rendered after September 30, 2025, will need to adjust or void these claims and rebill at the new rate if the monthly rate is required. WSCs must contact any Provider who has not requested assistance in updating service plans to utilize the new monthly rates. WSCs are required to make necessary adjustments to the impacted clients' authorizations and create new authorizations utilizing the new service codes as applicable with a begin date of October 1, 2025. Previous authorizations must have an end date no later than September 30, 2025.

For detailed instructions to update and create the new planned services please review the [Updating Authorizations for the New LSD 3 and LSD 4 Monthly Service Codes Job Aid](#) located on the [APD Cares Website in the WSC Library](#). The job aid will give details on possible impacts to other services and how to remediate plan validations errors.

Please ensure updates for the new authorizations for any impacted clients are initiated by December 1, 2025.
