

WSC ADVISORY #2019-009
ALGORITHM IMPLEMENTATION FOR INDIVIDUALS AT OR BELOW THEIR ALGORITHM
AMOUNTS

ACTION REQUIRED

EFFECTIVE DATE: FEBRUARY 18, 2019

During February 2019, APD will send algorithms to Waiver Support Coordinators (WSCs) for individuals on their caseloads whose budget is currently equal or below the algorithm amount. This means that if consumer needs are being met at this time, the WSC does not need to request changes to services at this time.

WSCs should use the attached talking points to assist in the mandatory Amount Implementation Meetings (AIM) for these individuals whose algorithm is equal or below the algorithm. As always, the AIM must be submitted to APD within 30 days of the WSC's receipt of the algorithm.

iBudget Training and instructions for WSCs is posted online at <http://apd.myflorida.com/waiver/support-coordination/>.
