It is the role of the WSCs to help their consumers advocate for themselves. But what do you do when your consumer hits a roadblock? This training will explore the balance between supporting self-advocacy and serving as an advocate for their consumers.

Materials for this training will be available after the webinar and will be found on the APD Support Coordination web page.

#### **In-Service Credit**

**The assessment link will be provided at the end of the training and will be automatically emailed to the participant from GoToWebinar one hour after the conclusion of the training.** The assessment will be open until 5:00PM. To receive in-service credits, each WSC must individually complete the assessment to receive their Test Result Transcript. A Test Result Transcript will automatically send to your email address and will show the score and serves as your certificate of completion.

The scoring rubric is as follows:

- 75%-100%: 1.5 CEU awarded
- 0% - 74%: 0 CEU awarded
